

FIA EVENT REQUEST

To ensure fair and equal participation in all local events, we are asking all those who wish to be included in the Fitness in Action Series Schedule to submit a request for approval before the addition is made. Local event organizers put lots of energy into putting on their event and we want to ensure it is worth their time and effort and continue to put on their event each year. To be included on the FIA Schedule we ask an organizer do the following:

1. Be a member of the Fit Kids of Southwest Oklahoma Coalition whose goal is to create an active and healthy community. If an organizer is not a member, member forms will be provided Ashley Green, Healthy Living Program. Email: ashleyg@health.ok.gov ; Phone: 580-585-6686.
2. Be willing to work with the FIA committee and choose a date to host their event on one not already taken by another local FIA event.
If a date cannot be set that doesn't conflict with another already approved FIA event, this does not mean an organizer cannot hold their event. We will still promote it through other avenues just not the FIA Sanctioned Calendar.
3. Provide a participant/registrant list to the series committee to ensure accurate proof of participation for the FAST Challenge.
4. Include the Fitness in Action and Fit Kids Coalition Logo during promotion of event and tag their event as another way our community is working together to get families outside and active.

Please provide the following to be considered as an inclusion on the Fitness in Action Series Schedule:

Event Name _____ Type _____
(1M, 5K, MTB)

Desired Event Date & Time _____ Event Location _____

Registration Information/Cost _____

Event Organizer _____

Contact Person (Name) _____

Email Address _____ Phone Number _____

Fit Kids of Southwest Oklahoma Member Organization

Yes No

The series is presented by Fit Kids of Southwest Oklahoma which seeks to provide a healthier way of life for all. The goal of the series is participation and to provide opportunities for people to be active and lead healthy lifestyles.
